

Testimonial received from

Red Bull Air Race International Team

26th November 2008

"AKA have been principle contractors to Shani Wood Events for the past two years, supplying and constructing temporary grandstand seating on the South Perth Foreshore for the Red Bull Air Race World Championships. The strengths of this company, including: great advice; ability to work to a tight operating schedule; flexibility; quality of the products; and professionalism; enable AKA Seating Structures to consistently deliver a high quality services to our great satisfaction.

The willingness of the staff at AKA to extend the extra effort required to accomplish a successful event means that we look forward to future working opportunities."

Kind regards,
