

Thursday, 3 February 2011

Dear Jason,

On behalf of TouchWest I would personally like to take this opportunity to say thank you for the time, energy and support that you gave towards making this year's Western Australian State Touch Football Championships a successful event.

The smooth running and professional delivery of the event is a credit to you and the hard work that you put in both in the lead-in to the event and at the tournament itself.

Your personal contribution is highly valued and appreciated and I look forward to having the opportunity to working with you at future tournaments.

Sincerely,

Sophie Maguire
Competition and Events Manager
